

# BARGUE DRAWING WORKSHOP

SEPTEMBER 19-23, 2009

INSTRUCTED BY FERNANDO FREITAS  
ACADEMY OF REALIST ART

[www.AcademyofRealistArt.com](http://www.AcademyofRealistArt.com)

In this one week intensive, we will be dealing with the fundamental basic truths to painting. By using drawing as our model we will focus on mastering proportion, structure, values, edges, and shapes. We will also dissect common truths to light logic, and the effect of direct light on an object.

In essence, this goal oriented workshop will open up the student to learn how to see.

**Workshop Location: 2445 St. Laurent Blvd. Ottawa**
